Mary

It has been very nice knowing you this year. I have enjoyed our friendship very much. You are a very nice and sweet girl and I hope that you will stay as sweet always and everyone will like you. I hope to see you this summer and next year and may all your troubles be little ones.

"Who gives yet hides the giving hand."
Whittier

Dedication

Although she has been a member of the faculty for only four years, she has given of herself in the classroom and unceasingly to the publication of the Memoir, neither seeking credit nor honor for her service.

It is with this in mind that we, the 1960 Memoir staff give our warmest thanks and appreciation and dedicate our book to Mrs. Bernie W. Bowles.

Foreword

Reflections, the theme chosen for the 1960 Memoir, represents looking through the events of yesteryear and comprehending the effect cast by them on the future. It is with this idea in mind that we strive to bring out the aspects of school life, socially and academically, and to show their influence on the future.

Honesty works

Honor Council Members: Brenda Heath, Senior Y-Teens; Joyce Fowler, Quill and Scroll; Dickie Hogan, National Junior Honor Society; Jimmy Hamrick, Hi-Y; Willie Cashion, National Honor Society, *Chairman.*

Honor Code in action

Kaki Trammell uses the pledge "To be honest with myself and others in thought, word, and deed," while taking a test.

Cooperation between teachers and students strengthens the Honor System at Manchester. Miss Ann Callahan helps Pat Rainwater with a math problem.

Wayne Dodd shows that by keeping our halls clear of trash, we maintain high standards that will be a credit to our school.

S. C. A. encourages better

Through its work, the Student Cooperative Association strives to instill in the minds of its members qualities of good citizenship. This organization of all students promotes better understanding between the students and faculty, encourages school improvement and is concerned with the general welfare of the school. Student respect for authority, self-discipline, leadership, fellowship, school spirit, scholarship, a feeling of unity and a sense of belonging are accomplished through the Student Cooperative Association. A council of students is elected to serve in an official capacity on issues concerning the entire student body.

This year more than ever before, student participation in assemblies was stressed. Programs of direct concern to the student body were held and have been considered successful.

For the first time, a student representative, Gayle Childress, secretary, was chosen to represent the students at faculty meetings.

This year the G. H. Reid Chapter of the National Honor Society tapped fifteen Juniors and twelve Seniors, making a total of forty-nine members in this honor club.

The purpose of the society is to stimulate the scholarship, the leadership, the service, and the character of high school students. A person must excel in these before he is qualified for membership in the Honor Society.

Awarding a scholarship to one of its graduating members, selling candy during the lunch periods, furnishing and renewing the college catalogues for use in the guidance office, and publishing a school handbook are the projects and goals of the society.

Selling candy is one of the projects of the National Honor Society.

Mardi Gras atmosphere prevails at Quill and Scroll dance.

The Marie N. Morris Chapter of Quill and Scroll was organized in 1953. Since that time it has been awarded an international trophy for accomplishments in the field of high school publication on six occasions. Only three trophies are given by the organization each year. The most recent addition, a second place award, was received for the club's activities during 1958-59.

The main objective of Quill and Scroll is to promote journalistic interests and achievements. It also fosters an interest in creative writing and scholarship in general.

This year the club organized a debating team at Manchester and assisted the debaters in preparation for the Forensic Contest in the spring.

It also made and dressed marionettes and produced a marionette show, "Home Sweet Home," demonstrating home safety.

The organization sponsored a dinner party for the staff members of the two Manchester publications.

Room 201 is a busy place 6th period, as Arnold Cottom, Alice Jenkins, Myrna Howells, and "Aunt Minnie" try to meet a deadline.

"Know your school" was the goal of the Communique, with emphasis on improving attendance at P. T. A. meetings. Also, the group has continued to work with the Safety Council in Richmond. Some other special features of the paper are articles on improving scholarship, career advice, and college information. Some of the editorial achievements of the paper have been continued from last year, as the staff feels an aim should not be given up until it has been accomplished. With the cooperation of the S. C. A., the Communique has carried out this year's ideals.

The Communique has won many honors, including first place award in the typography competition sponsored by the Columbia Scholastic Press Association and the International Graphic Arts and Education Association. The paper also won first place in Columbia Scholastic Press Association and was the recipient of the Quill and Scroll Gallup Award.

Members Caroline Sanderson, Charles Lundin, and Sammy Lacks decorate Christmas tree for the veterans.

The goal of the Jr. Red Cross is service to the communities and the nation as well as the promotion of international friendship.

Posters and radio programs were used to publicize enrollment, the first activity of the year. Following this project and continuing throughout the year were projects including volunteer work at McGuire's Hospital, donating food to the County Welfare Department at Thanksgiving and at Christmas, visiting homes for the aged to entertain them, filling Christmas stockings with articles for distribution at McGuire's, compiling a scrapbook containing different phases of school life to be sent to a country overseas, and participating in the International Art Exhibit.

To help publicize the Jr. Red Cross, a bulletin board was decorated and placed in the hall, and the Red Cross Journal was distributed to every homeroom each month.

Throughout the year the Hi-Y, a branch of the Y. M. C. A., carries on many projects. This year the organization adopted a Negro family to whom they gave clothes and food every six weeks. During the school week members joined the Y-Teens in presenting devotions, and also in promoting Clean Speech Week, February 1-5. In the winter the Hi-Y participated in the collection of funds for the World Service Organization.

The purpose of the club is to promote interest in the teaching profession and give members an inside view of teaching.

Sponsored by ADK, a teacher's sorority, the F.T.A. members are entertained each year by its sponsors. The ADK also gives a small scholarship to the senior F.T.A. member earning the most teaching points. These points are earned either by observing and teaching a class or reporting to the club on a book pertaining to education.

The club has made field trips to G. H. Reid School for those members interested in elementary education.

The Future Business Leaders of America is a state and national organization for students on the high school and college level. Any student taking a business subject and planning a career in some phase of business is eligible for membership.

The organization's project this year was the demonstration of business machines. Representatives from local businesses met with the members on alternate meeting days for demonstrations. Regular business meetings were conducted once a month.

Each year some of our members participate in the regional and state contests which include spelling, public speaking, parliamentary law, and Mr. and Miss F. B. L. A. contests.

"El Circulo de los Estudiantes de Espanol," the Spanish Club, enjoyed its second year at Manchester. The purpose of the club is to promote and maintain an interest in the language and culture of the Spanish-speaking countries in an effort to encourage better world understanding.

Just prior to the Christmas holidays there was a pinata party. Everything was according to Spanish custom, until a North American Santa Claus appeared on the scene.

During Pan-American Week, posters, a banquet, and other activities introduced the Spanish language to the freshman classes.

Newest "edition" to the library, Miss Barbara Booker.

By decorating the bulletin boards, drawing posters, and improving the appearance of the library, the Library Club hopes to promote interest in and knowledge of the library's resources.

To keep the students aware of the library, reviews of new books are published each month in the school newspaper. Attractive posters have been placed throughout the school which help the students to respect the library and know its rules.

Among its projects, the Library Club has compiled a handbook to explain to students the machinery of the library, and a "library open house" was held after a P.T.A. meeting to acquaint the parents with our library. Throughout the year there was an over-all effort to help make the library become a part of every student's life.

Keeping the bulletin board interesting is a goal of the Library Club as demonstrated by members Lyn Roberts. Donna Zullig, Mary Virginia Smith, Shirley Gill, and Carolyn Jenkins.

better support of girls' sports

New members of Varsity Club, Janet Wright, Judy Kelley, Mary Ann Dowd, Shirley Barden, Bobbie Woodard, Betty Joan Smith, and Elizabeth Lowman, look back on initiation with a smile?

The Varsity Club is the girls' athletic organization, and is composed of girls who have received a monogram, either as a player or a manager of one of the teams. The purpose of this club is to encourage participation and interest in the three interscholastic sports offered to girls: to strengthen the bonds of friendship, cooperation, and sportsmanship that exist among girls interested in athletics; and to work together with other clubs in the school on projects that are of mutual concern.

During this year, the projects engaged in included the refinishing of the field hockey goal cages purchased by the club, working on the hockey field and softball diamond, making posters publicizing the basketball teams, sponsoring a volleyball play day, filling a Christmas basket, sending girls to the physical education camp at Virginia Beach, and awarding blazers to those girls who have received two monograms in two sports or two monograms in one sport.

The Manchester Majorettes represent some of our school's most talented and hardworking girls. For two weeks each summer, they drill with the Marching Band in preparation for their coming season. The girls also attend the Summer Majorette Camp in Virginia, where they learn new and better routines. These routines help to draw attention to the band while marching in parades and to entertain the people at our football games.

While all of the majorettes can twirl batons and do many acrobatics, our head majorette, Jeanette Clarke, has also mastered skill in twirling a fire baton.

The purposes of the cheerleaders are to build the enthusiasm of the students and faculty for school events and to emphasize good sportsmanship toward the opposing team.

Chosen at the end of the year, the cheerleaders practice during the summer for the coming year.

The girls participated in the Orientation program for the ninth graders in September, and took part in the Thalhimer's annual cheer rally in the Benedictine gym.

Here's how!

Manchester 32—Douglas Freeman 0

This game was entirely dominated by the Lancers, who took the ball on the opening kick-off and carried it all the way for a score. This was a game where a lineman, tackle John Barden, got his glory by falling on a fumble in the end zone for a touchdown. The entire Manchester offense had a fine night.

Manchester 26—Benedictine 7

This game gave the Lancers a little more work, but finally in the fourth quarter the game was broken wide open by the Manchester offense's scoring three touchdowns. Jamie Accashian and Buddy South each gained 101 yards while Billy Fridley and Jerry Chandler were outstanding on defense.

Manch[illegible]—Lane 13

Like previous [illegible] was a little tougher for the Lancers [illegible] half time we were [illegible] but after [illegible] Lane [illegible] boss. In the remaining two [illegible] we scored four touchdowns and two [illegible] Lancer Q.B. Butch Nunnally set a new [illegible] total offense record for one game with 2[illegible]

[illegible]—Marshall 6

As the sea[illegible] opposing teams played a littl[illegible] harder too. This game wa[illegible] Lancers, with Jamie Accash[illegible] having a fine night on off[illegible] on defense.

Manchester 13—Thomas Jefferson 7

Ha! Ha! We fooled the newspapers. They predicted T.J. 13—Manchester 6. We showed 'em. Both teams scored all their points in the second quarter, with the latter part of the game being a battle of defenses.

Manchester 6—Highland Springs 24

It had to happen and finally did. With no intention of taking credit away from the Highland Springs team, they just had more man power and we had some key injuries. A crowd of 5.600 saw them win fair and square.

Manchester 6—Hermitage 7

It happened again, but this was the last time. This was an evenly fought game with the breaks going to Hermitage. One very important error on Manchester's part was the missing of the extra point by the Q.B., Butch Nunnally.

Manchester 19—Hopewell 0

Manchester was on victory road again, this time at the opening of Hopewell. This game, our Homecoming, was a much happier one than last year's at Thomas Dale. Manchester entirely bottled up Hopewell's dreaded outside runs.

Gayle Childress was chosen Homecoming Queen.

[illegible] 7—Thomas Dale 6

[illegible] Butch Nunnally missed the [illegible] point [illegible] Hermitage, we were certainly [illegible] he mad[illegible] me. It was a terrible night to [illegible] football [illegible] of the fog, one couldn't see [illegible] m one end of the field to the other. Both teams played well, [illegible] Lancers prevailing.

Manchester 20—Petersburg 7

This was a fine game to finish up the season for 15 seniors. As usual Cameron Field in Petersburg was sloppy muddy. The Lancers dominated the whole game. Every boy who played in this game or any other was proud to have played on a team that was picked to be Second Division and ended up one of the best teams in the district.

Jay Vees prepare for varsity

Although this year's Junior Varsity Football Squad did not compile an outstanding won and lost record, several of the boys progressed to the point that they should be welcome additions to next year's Varsity. The line was big and aggressive, but its lack of speed and football "savy" were its main difficulties.

Homecoming festivities actually began with the kick off between Manchester's and Hopewell's grid teams. Senior candidates for Homecoming Queen were Gayle Childress, Mary Virginia Smith, and Chris Webber. Gayle was crowned queen by Principal G. H. Reid at half time and as was traditional, Mary Virginia and Chris were named Maids of Honor.

For the first time in many years, the annual Homecoming game with Thomas Dale on Thanksgiving morning was not played because of conflicting schedules between the two schools.

Princesses from each class, elected by their respective classmates, made their appearance riding in convertibles around the playing field. Representing the eleventh grade was Gayle Sheppard, tenth grade princess was Sylvia Neal, the ninth grade representative was Judy Acree, and eighth grade princesses were Brenda Bullock and Blanche Durrette, representing the morning and afternoon shifts.

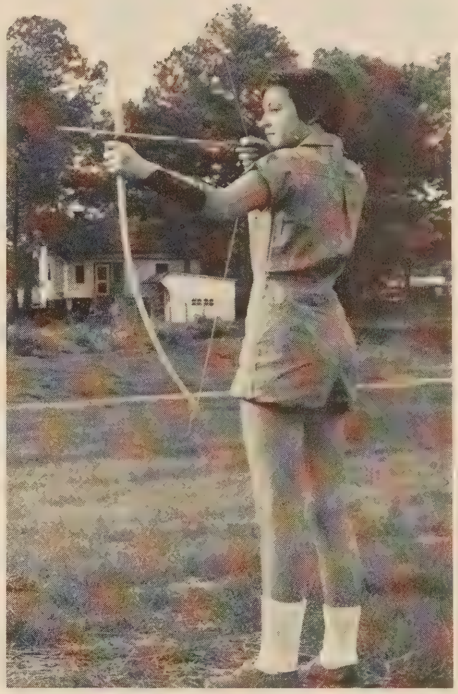
Phys. Ed offers variety

Tumbling is stressed throughout the year in girls' gym classes.



For the first time archery was presented. Another bull's eye? thinks Jo Anne Linkenhoger.

The girls' physical education department tries to offer a variety of activities during the year. The type and number of sports offered depends upon the equipment and facilities available and on the size of the classes.

Both ninth and tenth grade girls take part in basketball, softball, volleyball, and tumbling. In addition, the tenth graders participate in shuffleboard, bowling, badminton, and archery. The freshmen also have field hockey and folk and square dancing. Other activities include soccer, speed ball, horse shoes, tract, and deck tennis.

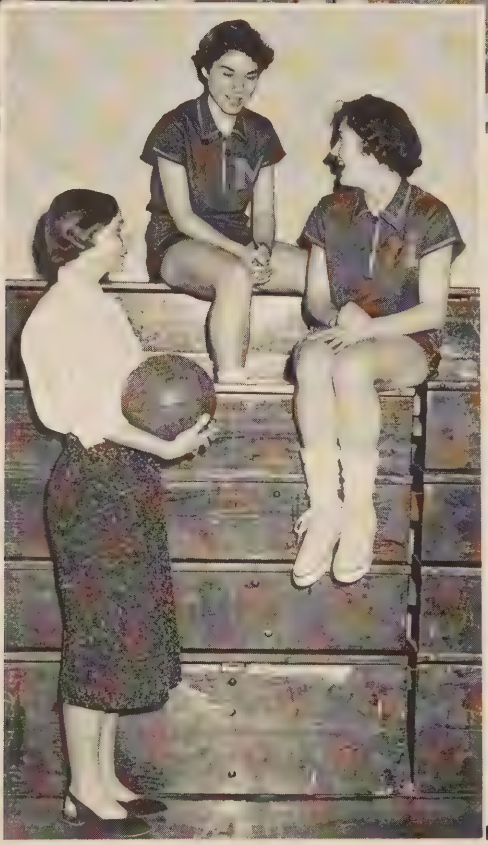
The boys' physical education classes play touch football, basketball, and softball. They also have tumbling.

Health, first aid, and classroom driver training are taught by the four members of the physical education department.

Football is a year 'round game for boys' gym classes!

Team works hard

Varsity Basketball Members: Betty Covington, Shirley Barden, Janet Ramsey, Judy Napotnik, Shirley Davies, Barbara Ragland, Brenda Shumake, Judy Kelly, *Manager;* Ruth Ann Phillips, Elizabeth Lowman, Judy Francis, Patty Sellers, and Betty Joan Smith.



Coach, Miss Jane Sheema with Co-Captains Judy Francis, and Ruth Ann Phillips.

This year's 7-3 record compiled by the team was a definite improvement on last year's season. The team, made up of seven Seniors and five Juniors, was led by Co-Captains Judy Francis and Ruth Ann Phillips. Hard work, team spirit, and enthusiasm were responsible for the winning season.

Team spirit pays off!

Members J. V. Basketball: Jeanette Pease, Kathleen Faris, Della Herrick, Pat Johns, Pam Schaeffer, Jackie McKenney, Patsy Smigo, Bobbie Jean Coffman, Polly East, Nancy Clarke, and Carol Taylor.

This team, made up for the most part of newcomers, also enjoyed a winning season. All the girls showed eagerness and a desire to learn and improve, and many of them seem to be good prospects for future varsity teams.

A "GOLD SEAL" HOME

with PANORAMIC KITCHEN

Virginia Jennings

Place yourself in the kitchen of this 50 foot, 10 wide, 2 bedroom home... It will almost make "dish-washing" a pleasure.

The efficient design of the Panoramic Kitchen will enable you to prepare complete meals, set the table, wash the dishes and put them away, without moving more than a few steps.... and .... you will be able to see, breath and be comfortable. The giant sized jalousie windows will give you five times the amount of light, air and vision that you would receive in the kitchen of most homes.

The kitchen is where you work.... Why not enjoy it?
